

Fabric Exchange

A Home Reserve exclusive. Fabric Exchange! You don't need to send the whole item back if you don't like the fabric. You can just send back the fabric set and try another!

- ◆ Call Customer Service 1.800.482.2712 or email: support@homereserve.com. Let us know what you'll be returning and what new fabric set you would like.
- ◆ If the new fabric set is in a different price category we'll get your credit card information in order to credit or charge the difference back to the card.
- ◆ Fold up all the fabric covers so that they don't wrinkle and place them back into the fabric bag in which they came. If you don't have the bag that the covers came in you can put them into a cardboard box. (You can get boxes at your local UPS store.)
- ◆ Place a note inside the package with your name, address, contact information and order number if you know it.
- ◆ Take the package to your local Post office or a UPS store near you (www.UPS.com) and ship it to:
