

# Ottoman Return Guide

- ◆ Call Home Reserve Customer Service 800-482-2712 and let us know about the return so we can help coordinate it.
- ◆ Repack the wood parts into the frame box. There is a diagram on how all the parts fit on the next page. Put the parts bag back into the frame box as well.
- ◆ Fold up all the fabric covers so that they are not wrinkled and place them back into the fabric bag. The foam goes on top of the wood parts and the fabric bag on top of the foam.
- ◆ Tape or band the boxes securely.
- ◆ Take the package to a UPS store near you ([www.UPS.com](http://www.UPS.com)) and address it to the following address.
